## STORM EMERGENCY IS PROCLAIMED IN EASTERN PENN'A

### FARM PRICE MEASURE IS FACING VETO

WASHINGTON (AP)—The Senate today rushed to President Eisenhower a farm price support freeze bill which he is considered likely to veto.

The Senate completed congressional action by accepting a House amendment to limit its effect to 1953.

The Senate vote on that issue was 48-32. Previously the Senate had passed the measure without the limit 50-43. The House bill passed that branch 210-172.

The measure would prevent any reduction in price supports and acreage allotments below 1957 levels.

Eisenhower and Secretary of Agriculture Benson both have expressed sharp opposition to it. The secretary has asked Congress for authority to lower supports on basic commodities to 60 per cent, as compared with the 75 per cent floor in present law.

Republican senators cried that Democrats were playing politics by amending the bill through, in an effort to embarrass the President.

Neither the Senate vote on original passage nor the House vote was heavy enough to override a veto, which takes a two-thirds majority.

Democratic backers of the freeze contended they were giving the farm economy a half-billion-dollar shot in the arm, not playing politics.

The Senate, meantime, passed a bill to extend for two years beyond June 30 the government's authority to dispose of farm surplus commodities abroad in exchange for foreign currencies, or as gifts in case of disaster.

Passage came on a voice vote after the Senate rejected 44-39 an effort by Sen. Humphrey (D-Minn.) to force Secretary of Agriculture Benson to use barter deals for at least half a billion dollars worth or surpluses each year. Permissive authority for barter remains.

The Senate bill authorizes disposal of an added 3½ billion dollars of farm commodities during the extension period. The administration has asked a one-year extension and authority for disposal of 1½ billion dollars of commodities.

The disposal bill now goes to the House.

### Bloom Declares G.O.P. Must Not Discount Stassen

HARRISBURG (AP)—Harold E. Stassen is an "old pro" whom the Republican organization should not discount in his independent bid for the GOP gubernatorial nomination in the May 20 primary, says GOP State Chairman George I. Bloom.

Bloom made this assessment of Stassen last night on a television news panel program (WTPA-TV "Capital Correspondents").

At the same time he repeated charges that Stassen would use the governorship, if he won nomination and was elected in the fall, as a springboard to a presidential nomination in 1960.

### New Borrower's Campaign JC Library Week Project

Weather permitting, the downtown business district will be the scene of a New Borrower's Campaign conducted by the Jaycees as part of the observance of National Library Week. Realizing that only some 6,500 people in Warren Borough and surrounding areas are cardholders at the local library, the Jaycees plan to man a booth in front of Penny's Store where people doing their Friday and Saturday shopping will be encouraged to stop, read some of the literature about the library, and then sign up to borrow books.

Chairman William F. Clinger Jr., in discussing this phase of the program, said, "We feel that the Jaycees and the committee working with them have proved during this week that

### Ambulance Service Operator Seeking Injunction Against Boro on Suspension Order

Two new developments came to light today in the quest for ambulance service in Warren Borough.

In court this morning Warren Ambulance Service operator Keith Nulph asked for an injunction against Borough Council to prevent it from enforcing a suspension of Nulph's license to operate ambulances locally.

Then it developed that the Public Service Committee of Borough Council had asked North Warren to maintain an ambulance station locally, or, failing in that, explore the possibility of setting up a non-profit organization to establish a borough emergency crew.

Judge Alexander C. Flick, Jr. this morning refused to issue an immediate injunction but noted that the case should receive immediate attention. He scheduled a meeting for 10 a. m. Monday to have the defendants in the action show cause why an injunction should not be issued. Then a hearing will be held Tuesday or Wednesday afternoon, according to present plans.

During the past week, Public Safety Committee of Council adopted a four-part resolution, stating in effect: (1) That ambulance service is a necessity within borough limits; (2) That North Warren Volunteers from the fire department had provided excellent service; (3) That North Warren Volunteers be approached with the proposal that they set up a local ambulance station; (4) Otherwise a non-profit ambulance service organization be considered.

The Warren Ambulance Service, operated by Nulph, was formally notified March 18 that its license to operate ambulances in the borough would be suspended until the Warren Ambulance Service Board was convinced it could provide adequate service.

Technically, the Board suspended the license because it claimed Nulph failed to inform them that his two vehicles had been impounded overnight in January. Nulph's attorney, C. Henry Nicholson, said in court today that Nulph had informed the hospital that his vehicles were out of service at that time.

Attorney Nicholson also averred that Nulph had not been given an adequate chance to prepare his side of the case for presentation when the Ambulance Service Board met and suspended his license. Nicholson told the court that Nulph had been notified at 10 a. m. the morning of the meeting, and that Nulph was waiting in Nicholson's office when the action was taken.

### Parole Application of Greenglass Is Denied

WASHINGTON (AP)—The Federal Parole Board announced today it has denied a new parole application by David Greenglass, confessed atomic spy.

Greenglass is serving a 15-year sentence in the federal penitentiary at Lewisburg, Pa.

The board denied Greenglass' first application in April 1956. At that time he had served a third of his sentence, making him eligible to ask for a parole.

Greenglass was the chief government witness in a 1951 trial of Ethel and Julius Rosenberg, who were executed in June 1953 as atomic spies for the Soviet Union. Mrs. Rosenberg was Greenglass' sister.

WASHINGTON (AP)—A new high for food costs sent the nation's living cost level to still another peak mark in mid-February.

In reporting this today, Labor Statistics Commissioner Ewan Clague said he could see little hope for a living cost downturn in the next few months. He said it depends largely on crop conditions and food supply.

The official index rose two tenths of 1 per cent between January and February, reaching 122.5 per cent of the 1947-49 average. This is 3.2 per cent higher than a year ago.

Food alone soared to a point 4.5 per cent above a year ago, a new record.

The new over-all living cost peak is the 16th in 18 months that the index has broken over the top to a new high.

Clague said the reason living costs are not responding to the general business decline, but continuing upward on their own, is that most consumer cost items don't respond quickly to general economic conditions.

He said farmers suffered their recession two years ago with a result that farm prices have since strengthened. Food plays a major part in living costs.

### Committee Okays Funds For Building

By WILLIAM F. ARBOGAST  
WASHINGTON (AP)—The House Appropriations Committee today cut off funds for the lease-purchase program. But it recommended \$177,255,000 in new cash to finance construction of 66 public buildings in the program.

The committee said the direct appropriation procedure will save money. It ordered that hereafter the lease-purchase methods be used only for constructing post offices.

As an antirecession measure, the committee approved 75 million dollars to accelerate repair and improvement of government buildings.

The committee's action was in connection with approval of a \$6,949,920,900 bill to finance independent federal agencies for the fiscal year starting July 1. This is \$627,577,400 more than President Eisenhower requested and \$1,159,988,100 more than Congress gave the same agencies this year.

In a sharply worded explanation of its lease-purchase action the committee criticized Franklin G. Floete, the general services administrator, and Maurice H. Stans, who recently became director of the Budget Bureau.

It said it asked Floete not to bind the government on any more lease-purchase contracts until further notice. But, the committee added, he "ignored the request and within the last two weeks has signed two lease-purchase contracts and advises the committee that he intends to sign 26 others."

The committee said Stans ignored a request not to require GSA to enter into any commitments for lease-purchase contracts until Congress could decide whether the buildings should be constructed under direct appropriations.

### Golfer Takes Calendar Literally

As they say, spring "sprung" at 10:06 last night. Mrs. John Benjamin, above, took the calendar literally and immediately donned golf togs (courtesy Betty Lee) for a fast round. Just about everybody else, taking a more dour view of reality, continued to watch the skiers up Follet Run Road. With spring came more snow and roads were among the slipperiest of the winter last night and early today. It wasn't just a coincidence that our Sparky Saylor was at the Country Club when Mrs. Benjamin lingered on a bench at the swimming pool to look over a special copy of the Times-Mirror carrying a screaming headline "Spring is Here!"

### Northern Area Joint School Host to Dist. Band Festival

Northern Area Joint School System may be justifiably proud of the honor accorded it in the privilege of entertaining the annual Pennsylvania Northwest District Band Festival this weekend in its beautiful Eisenhower High School on the Russell-Lander road.

Participating in the three days of rehearsal, as well as two public concerts at 8:00 this evening and on Saturday, are students representing 36 district schools in a massed instrumentation of 180.

In addition to Eisenhower, Warren and Youngsville schools, the following are on the roster: Albion, Cambridge Springs, Cochranton, Conneaut Lake, Conneaut Valley, Corry, Cranberry, Edinboro, Erie Academy, East, Cathedral Prep, Strong Vincent and Tech, Fairview, Fort LeBoeuf, Franklin, Girard, Harbor Creek, Lawrence Park, Linesville-Conneaut-Summit, McDowell, Meadville, North East, Oil City, Randolph-East Mead, Rocky Grove, Saegertown, Sparta, Springfield, Titusville, Townville, Union City and Westview.

Personnel from the three local schools are as follows:

Flute I and piccolo—Marcy Kay and Susan Werner, Warren; flute II—Martha Stohlberg and Sandra Taylor, Eisenhower; oboe I—Cynthia Prichard; Warren; clarinet I—John Urbaitis, Warren, and Timothy Wise, Youngsville; clarinet II—Connie Lohnes, Eisenhower; bass clarinet—Norma Donaldson, Youngsville.

Alto sax II—Nancy Halfast, Youngsville; cornet II—James Hewitt, Warren; cornet III—Bonnie Ekdahl and Clayton Mesler, Eisenhower; horn II—Avonelle Burke, Warren; horn III—Mary Sweeney, Eisenhower; horn IV—Priscilla Nobbs, Eisenhower.

Trombone III—Edith Olson, Youngsville, and Bruce Swanson, Eisenhower; baritone—Larry Ludwick, Eisenhower; string bass—Melinda Lyford, Eisenhower; tuba—Jeff Cronmiller and Frank Shackett, Warren.

The entire operation of rehearsals and public presentation is under the very able direction of James W. Dunlop, professor of music education and bands leader of Pennsylvania State University.

### Resignation Laid to "Conflict of Interests"

By LEONARD A. UNGER  
HARRISBURG (AP)—Health Secretary C. L. Wilbur Jr. said today a "conflict of interest" directive was invoked in the recent resignation of J. W. Gittins from his \$7,748-a-year post as secretary of the Sanitary Water Board.

Dr. Wilbur said Gittins accepted \$1,400 in loans over a five-year period from mine operators with cases pending before the board. None of the loans was repaid nor any interest paid on them he added.

### Lawrence Campaign Will "Be on Issues"

PITTSBURGH (AP)—Mayor David L. Lawrence of Pittsburgh says his campaign for the Democratic gubernatorial nomination will be based on issues, not personalities.

"I will emphasize the positive, not the negative," Lawrence told newsmen yesterday before departing for a conference with party leaders in Harrisburg.

Lawrence, serving an unprecedented fourth-term as Pittsburgh's chief executive, is the Democratic state organization's candidate for the nomination.

### Ike Cancels Flight To West Point Today

Washington, (AP)—President Eisenhower canceled his scheduled flight to West Point today because of stormy weather.

James C. Hagerty, White House press secretary, announced the cancellation.

The President had planned to go to West Point to take part in Founders' Day ceremonies and to join in honoring an atomic scientist.

Hagerty said the trip was shelved because of generally bad weather both in Washington and in the West Point area, on the ground and in the air.

### 800 Marooned In Restaurant Through Night

MORGANTOWN, Pa. (AP)—State police broke through four feet of wet, solidly packed snow today to reach the more than 800 people marooned all night in a restaurant on the snow-bound Pennsylvania Turnpike.

One lane was cleared early today and several state police cars reached the group of motorists, truckers, entertainers, babies and (Turn to Page Nine)

### Gavin Against Bill Freezing Farm Prices

WASHINGTON (AP)—Fifteen Republicans and two Democrats in Pennsylvania's congressional delegates voted against a bill freezing farm price supports. Five Pennsylvania Democrats and two Republicans voted with the majority in favor of the bill.

Democrats for: Byrne, Dent, Flood, Granahan, and Morgan.

Republicans for: Bush and Carrigg.

Democrats against: Clark and Rhodes.

Republicans against: Corbett, Curtin, Dague, Fenton, Fulton, Gavin, James, Kearns, LaFore, Mumma, Saylor, Scott, Simpson, Stauffer and Van Zandt.

Other Pennsylvania congressmen were either absent or did not vote.

### OVER SCORE OF FATALITIES REPORTED WITH HUNDREDS STRANDED IN SOME AREAS

HARRISBURG, (AP)—Gov. Leader today proclaimed a state of "extreme emergency" in snow-stricken areas of eastern Pennsylvania. The action opened the way for municipalities and state agencies to meet snowstorm-created problems of clearing highways and restoring public utilities "without regard to time-consuming procedures and formalities" fixed by law.

Under the proclamation, for example, communities may hire private trucks and snowplows and purchase emergency supplies without taking bids.

The governor issued the proclamation under the 1951 civil defense law. It was based on what he termed "highway blockages and power and communications failures occasioned by long-continued heavy snows."

Leader said the situation was causing "hardship and suffering to the storm-stricken areas" of eastern Pennsylvania.

By THE ASSOCIATED PRESS

A brutal end - of - winter snowstorm, unleashed along the northeastern seaboard yesterday, arrived on with mounting fury today—the official arival of spring. It delivered a smashing blow at life, property and vital services.

The vast stretch of seaboard from Maryland to New England got a deluge of snow with depths of three feet in places. Power and telephone lines were wrecked.

Hundreds of thousands of homes and offices were left without electricity for long periods. Transportation was badly snarled, if not halted completely. Stores and schools were closed at many places. Office workers encountered extreme difficulties getting to their jobs.

### Weekend Weather To Be About Normal

By The Associated Press  
Extended forecast for Saturday, March 22, through Wednesday, March 26.

Western Pennsylvania, western New York and West Virginia: Temperature will average normal to 4 degrees below normal north and 4 to 8 degrees below normal south, rising temperature Sunday afternoon into Tuesday, colder Wednesday. Snow flurries north Saturday and Sunday, rain south and rain or snow north about Tuesday. Total precipitation 0.2 to 0.8 inch.

### Pittsburgh Area Business Report Shows a Decline

PITTSBURGH (AP)—Business has generally declined this week in the Pittsburgh district and unemployment is up over the previous month.

The Pennsylvania Dept. of Employment Security reports 104,000 were idle in February, compared with 90,700 in January in the labor market comprising Allegheny, Beaver, Westmoreland and Washington Counties.

The University of Pittsburgh's Bureau of Business Research reports its business index dropped to 80.6 per cent of the 1947-49 average last week compared with 82.6 per cent in the preceding week.

All major lines of business activity sagged last week. The largest relative decline was in originating freight shipments, the bureau said.

### PSYCHIATRISTS REPORT MOON IS MENTALLY ILL

According to papers received at the office of Prothonotary Ralph Sires at the Court House, the two psychiatrists appointed by Judge Alexander C. Flick, Jr., have reported they found Norman Moon in fact mentally ill and in such condition as to make it necessary that he be cared for

### Many Homes Are Reported Without Heat

By THE ASSOCIATED PRESS  
Eastern Pennsylvania's most damaging snow storm in 40 years abated somewhat today but left in its wake thousands of homeless, lightless homes and cut the everyday life of its citizens to a crawl.

The fierceness of the storm, on winter's last day, dumped as much as 36 inches of snow, crippling transportation, dealing a savage blow to pre-Easter business and taking the lives of at least 10 persons.

The greatest danger of the storm was the hanging electric wires, ripped by the weight of the wet, heavy type snow. In Philadelphia, the nation's third largest city, dangling, dangerous electric wires were a common sight on most streets less they meet the fate of at least two who stepped out of automobile onto lives wires and were electrocuted.

The Philadelphia Electric Co., alone estimated 500,000 homes were without power in the Philadelphia area, meaning no heat, no electricity in most cases. In contrast, Hurricane Hazel in 1954 caused power failures in lines serving some 300,000 customers.

A Pennsylvania Power & Light Co. spokesman described the situation as the worst in company history. Lighting companies in neighboring New York and Ohio sent "rescue mission" teams.

The poles and trees came down across railroad tracks, disrupting commuter service into Philadelphia.

Main line service also was tied up, but railroad spokesmen said train schedules were returning slowly to normal.

Space Age Theme  
Of Seminar for  
The Pa. Editors

UNIVERSITY PARK, Pa. (AP)—"Tomorrow's number one story is the space age. The newspaperman's job," to report it, to analyze it, to interpret it."

That's the general theme of a two-day space age seminar opening here today under the sponsorship of the Pennsylvania Society of newspaper editors and the Pennsylvania State University.

More than 100 newspapermen are attending the sessions to learn first-hand from some of the nation's top scientists and rocket experts what can be expected in space travel in years to come.

Subjects slated for discussion range from satellites, space travel and flying saucers to means of uniting the world through science.

Newsmen from Pennsylvania and neighboring states will direct questions at scientific luminaries, including Dr. John P. Hagen, director of project Vanguard, of the U. S. Navy Research Laboratory in Washington, D. C.

Loaded School Bus Has  
Close Call on Crossing

He literally threw some of the slower moving students out of the bus.

As he herded the youngsters to safety, a New York-bound train came along. The engineer applied the brakes and the train slowed enough to just nudge the bus, which was driven away later.

## Annual Dance Is Planned By Struthers Credit Union

Plans are well underway for the fifth anniversary dinner-dance party for members of Struthers - Warren Federal Credit Union, the event scheduled for Saturday, April 12 at Pleasant Firemen's Hall, beginning with a greeters program at 5:30 p. m. The firemen's auxiliary will serve a turkey dinner at 6:00 p. m. This party is for all members and ladies (or husbands).

All employees of the local division of Struthers Wells Corporation are welcome into membership. Any employee desiring membership is urged to get his party ticket immediately. The office quota is nearly sold out and plant employees are urged to secure tickets before March 26. Of necessity, tickets are

WILLIAM W. PRATT

sold on first come, first served basis by the following committee: Lawrence Andersen, Floyd Buchanan, Frank Kusio, Harry Leafstrom and Bob Sandblat. Office employees may procure tickets from Mary Alice Wiedmaier.

Other members serving on various committees include Gloria Barone, Joyce Hill, Sylvia and Kenneth Thompson, Bob Jensen, Frank Duffy, Don Carlson, Dale Witherell, Jon Wiedmaier, Kurt Johnson, John Morelli, Richard Hooker, Clifford Bollinger, Bob Swanson, F. Bonavita, and others.

The entertainment committee is working on a program to fill in the time before round and square dancing is enjoyed. This event promises to be one of the highlights in the five year history of the organization. Any member unable to attend the dinner is invited without charge to the program starting at 7:00 p. m.

Leo L. Gleese, general chairman, has announced William W. Pratt, Harrisburg, executive director of Pennsylvania Credit Union League, will be the principle after-dinner speaker. Mr. Pratt is considered one of the best informed managing directors in the Credit Union movement with the following impressive record:

A charter member and past president of the Philadelphia DuPont Gravelly Credit Union, chartered in 1935; served as secretary of the Philadelphia chapter of credit unions, and volunteer director of the P. C. U. League; national director of Credit Union National Association for ten years and served

as vice president of CUNA for five years. He has served as a director of CUNA Mutual Insurance Society since 1939; served as its vice president from 1942 to 1951 and was elected president of the society in 1954. During the infancy years of the P. C. U. League he served as part time managing director from 1942-1946 when he took over the duties as executive director. Under his management the league has grown to where it employs nine field representatives and an office staff of ten members. The league serves 1077 credit unions throughout Pennsylvania.

In addition to other active offices in the credit union movement, he also is a member of the Pennsylvania Mineralogical Society, Harrisburg Trade Executives Association and the National Association of Security Dealers.

Mr. Pratt breeds Brittany Spaniels, prize winning dogs, as well as being a hunter, is a photographer, insurance broker

## RADIO and TV

By CHAS. MERCER  
NEW YORK (AP)—In the course of an 1,800-mile motor trip hither and yonder in the South and East you learn that just about everybody is his own best television critic.

Although we definitely weren't conducting an audience survey, it was interesting to learn—among other things—how popular Maverick is.

We tuned in last Sunday to try to discover the reason. The program, "Black Fire," concerned a rich old man who called a dozen distant relatives to his remote ranch with the announced purpose of picking his heirs. Bart Maverick was involved in the proceedings because he was paying off a bet or something by pretending to be one of the relatives, a cynical painter, while the painter pretended HE was Maverick.

Well, three of the relatives were murdered and suspicion focused on numerous people before it turned out that the butler did it for reasons too complicated to be worth going into here. Things ended happily with the old man deciding not to die but to go, instead, to Paris with the painter while Maverick returned to a poker game in Denver.

As with every Maverick program we've happened to see, "Black Fire" was intricately

plotted. It was also heavily populated with a variety of well thought briefly characterized roles.

The creators of Maverick seem to have captured the interest of a large group of viewers by throwing numerous plot and character ingredients into the pot and boiling it well. Also, its dialogue is crisp and well-written.

Probably another ingredient of its popularity is the fact that Maverick is a basically decent guy who lives as a gambler on the very edge of the law. He's a change from the numerous highly moral law enforcement heroes who people our television screens these evenings.

Remembering that the folk heroes of literature have more frequently been law-breakers than erick stems from an ancient and popular tradition.

## Business Mirror

By SAM DAWSON

NEW YORK (AP)—Spring has made it on the calendar no matter where it may have got bogged down on the weather map. Almost the only businessmen sorry to see winter go are those in the coal and fuel oil and natural gas industries and the makers of tranquilizers.

A lot of businessmen are eager to welcome spring. For instance, all those who cater to the growing American trend to outdoor living. For one thing, they expect Americans to pay nearly 12.5 billion dollars this year on planting and maintaining grass plots, from the smallest of front yards to the plushiest of golf links.

Workers expect new jobs to open up soon on the farms. The coming of better building weather should furnish more work. Already the lumber areas of the Northwest report a rush of orders for plywood which has firmed prices there after months of price weakness and widespread unemployment.

## Ralston to Speak At Cook Forest Sunrise Service

COOK FOREST — Cameron Ralston, above, of Harrisburg, internationally famous lecturer, has been chosen as the principal speaker for the eighth annual Easter Sunrise Service to be held here at the Ridge Camp grounds, better known in this area as "The Circle," Easter Sunday morning, April 6, according to J. C. Ward, speaker chairman.

Born in Paisley, Scotland, Mr. Ralston came to the USA in 1914, is an American citizen, served on the Mexican border with the Virginia Cavalry and in France with the 29th Division A. E. F. in World War I. He has been active in veterans' affairs for over a quarter of a century and is a member of the American Legion and the Veterans of Foreign Wars.

For several years Mr. Ralston was a faculty member of Washington and Jefferson College, was former director of public forums, United States Department of Interior, office of education and is a recognized authority on the development, technique and effect of such forums.

Mr. Ralston is founder of the first Youth Guidance week program Parkersburg, West Virginia, now so popular throughout the United States. His success as a lecturer has been phenomenal with an unequalled record for return engagements.

The background of Mr. Ralston has been developed in the laboratory of human experience, a coal miner in West Virginia, camp director, Boy Scouts of America, cost engineer for prominent defense plant builders during World War II, and public relations counselor for state and national organizations.

staked large sums of money on the chess game are confident they'll get it back when spring sends women into the stores in greater numbers.

Merchants are watching for the expected spring pickup in retail sales in general. Bad weather in February turned many retailers gloomy, but there's still time to recoup, although Myron S. Silbert, vice president of Federated Department Stores, tells the Dallas meeting of the National Industrial Conference Board that because of weakness in consumer durables total trade this spring may be off from last year by 2 or 3 per cent.

The travel industry looks for its biggest year. The Department of Commerce predicts a further rise in foreign travel in 1958 and says that last year Americans spent nearly two billion dollars that way, a 6 1/2 per cent gain over 1956.

## Fish and Fowl To Take Place Of Meat on Tables This Week

By THE ASSOCIATED PRESS  
Fish and fowl will take the place of meat on many dinner tables this weekend, judging by the specials to be featured in the nation's supermarkets and neighborhood grocery stores.

Variety is the key word in both cases. Fish offerings range from the less expensive smelts and cod or haddock fillets to items such as scallops and shad or halibut steaks.

The persevering shopper can find just about any kind of fowl too. Most stores these days sell chicken parts, so the housewife can gear her purchases to the family's preferences. Some stores now offer a single price for different styles in broilers or fryers.

Beef prices were about unchanged this week, although the wholesale price went up again. Pork chops were higher in some areas, but eggs were down 2 to 6 cents a dozen in most places. A decline was about due, egg experts said, and from now on omelets should be progressively cheaper until hot weather hits and the hens lay fewer eggs. Hen output, it seems, always drops in extremely cold or hot weather.

Round steak or roast is most prominent among specials on beef, while picnic hams are frequently mentioned among pork cuts and leg of lamb is the most popular in that category.

Housewives can find good buys in potatoes, onions, spinach, carrots and broccoli to round out their meals. Potatoes are a bit higher as fall crop supplies grad-

ually diminish and new potatoes trickle in from Southern fields. Onions also are mostly from storage crops, plus a few white boilers from Mexico. Sweet potatoes are a fairly good buy.

In the same category are cabbage, another vegetable where the new crop is slow to replace last fall's and asparagus. Radishes and greens such as collards and turnip greens also are rated fairly good buys by produce men.

Lettuce is sharply higher. Market men say it's because supplies from California's Imperial Valley are tapering off and lettuce from Arizona and other sections of California is just getting started.

Beans are still high with supplies increasing from a late Florida crop planted after the freezes there.

Winesap and Delicious apples from Western orchards are a good buy in fruit bins. Most of the Eastern apples are tending to ripeness and irregular condition by now, except for those from "controlled atmosphere" storage. Lemons are plentiful and attractively priced.

A few boxes of strawberries are available at fairly high prices, with a drop expected when the Louisiana crop starts coming in around April 1.

## "I'VE BEEN FEELING BETTER LATELY.."

and here's how I've got it figured out"

After making this statement to his studio audience, Arthur Godfrey said: "I've been using Niagara Cyclo-Massage® these past few weeks... and I do believe it helps me to relieve tension and nervous fatigue due to overwork and over-exercise. It also helps me sleep better... and I think it does these things through increased circulation of blood. Now I don't suffer from arthritis, but they tell me that Niagara Cyclo-Massage® is terrific for chronic arthritis pains, too."

Clinical research in leading institutions has repeatedly proved the accuracy of Mr. Godfrey's statements. And many thousands of individual users have discovered for themselves the exceptional health-promoting benefits made possible through Niagara. An amazing, drugless "miracle of science," it provides soothing, gently penetrating massage action that fills one with a wonderful feeling of well being.

## Salvation Army Group In Ridgway Saturday

Junior Soldiers and prospective members of that group representing the Warren Salvation Army Corps, will attend Junior Soldiers' Rally in Ridgway Saturday, meeting with other corps from this end of western Pennsylvania.

Purpose of this rally is to teach the young members the principles and standards, also the operation, of The Salvation Army in other countries. Each corps is to have one of its Junior Soldiers dress as a person of another country. Warren's country is to be Scandinavia and will be portrayed by Connie Schaffer.

Also featured on the program will be a game, the \$64,000 question. Each corps is to have a contestant, and Miss Ardelle Lauffenberger will represent Warren.

Sr. Capt. Norman Marshall, Divisional young people's secretary for all of western Pennsylvania, will be in charge of the program.

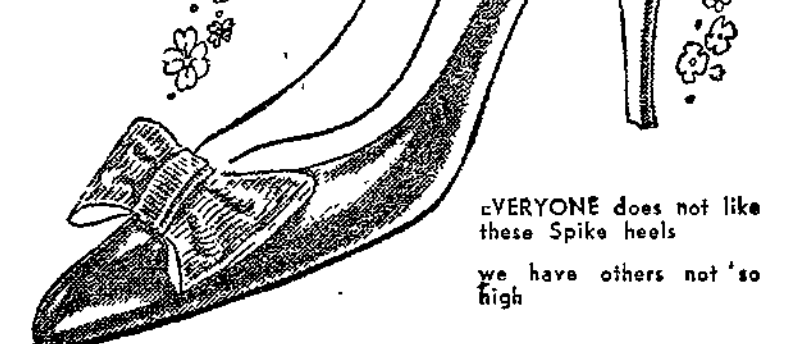

The group will leave Warren at 11:30 a. m. Saturday. Local leader of Junior Soldiers is Mrs. Halle Covell, assisted by Miss Lucy Dible and Mrs. Major Dible.

WHAT DOCTORS SAY ABOUT

### Choosing A Specialist

### Epilepsy and Marriage

Q. "Would you please give me the name of the ear surgeon who performs the operation to improve hearing?" — G. B.

A. Readers often request information concerning specialists who might be consulted. Doctors in special medical fields are located throughout the United States and Canada. To avoid going on a wild goose chase, discuss your problem with your family physician. If you have no regular doctor, write or call the nearest county, state, or, in Canada, the provincial, medical society. Your questions about specialists, in your area will be expertly answered.

Q. "I am 19 years old and engaged. During the past several years I have had two epileptic fits. Should I tell my fiancée?" — C. W.

A. Here is some advice about marriage and epilepsy which recently appeared in a medical journal. When two young people are contemplating marriage it would certainly seem wise for the epileptic sufferer to reveal the situation. The engaged couple

should visit a physician and get a full explanation of epilepsy. They will find the doctor quite understanding and well aware of the prejudices and misconceptions of the disorder. Some states have laws which prohibit marriage of a person with epilepsy. The physician would no doubt know if this is true in your state.

Material in MEDICAL MIRROR is based on various scientific publications and does not necessarily reflect the opinion of all doctors. The diagnosis and treatment of disease requires the skill and knowledge which only a physician can apply by personally attending the patient.

a bank repair-loan  
can help make your  
home --- PRETTY  
AS A PICTURE...

### 1. MAKE PLANS.

First, decide on the improvements and repairs you want to make in your home: a new roof, plumbing, heating, any remodeling you want.

### 2. GET PRICES.

A sensible second step is to consult a contractor and supplier of materials and equipment to get complete information on what it will cost you.

### 3. AND SEE US.

Then come to the bank and apply for a home improvement loan. Rates are low and you can repay by the month from income. We'll welcome you.

### Opinion on Treatment For Mental Children

HARRISBURG (P) — The State Justice Department said yesterday it is legal for the State Welfare Department to admit mentally ill children for inpatient treatment at Embreeville and Danville State Hospitals if the children meet the mentally ill requirements of law.

The opinion also stated that it would be legal "to establish out-patient services in any state institutions to promote prevention, early recognition and treatment of mental illness, mental defects, etc."

The opinion was requested by Welfare Secretary Harry Shapiro.

### Mutinuous Forces in Sumatra Surrendering

JAKARTA, Indonesia (P) — The Indonesian army said today 200 men who joined Maj. Boyke Golan in the mutiny at Medan in North Sumatra have surrendered.

The rebels have announced that some Jakarta-appointed commanders in Atjeh province have been ousted, but the province has not formally adhered to the rebel cause.

Independent sources yesterday confirmed that the govern-

ment was firmly in control at Medan and at Pekanbaru, the Central Sumatra city. Antara news agency said government forces retook Medan Monday an hour after Golan and his men seized it.

### Wrightsville

WRIGHTSVILLE — Ivan Johnson and Frank Bull were honored guests at a birthday party given at the former's home. Attending were Mrs. Frank Bull, Mr. and Mrs. Arden Bull and family, Columbus.

Wanda Lee, Frewsburg, spent last weekend here with her grandparents, Mr. and Mrs. James Durlin.

Mr. and Mrs. Ernest Faust were Sunday guests of their son, Kenneth, and family in Jamestown.

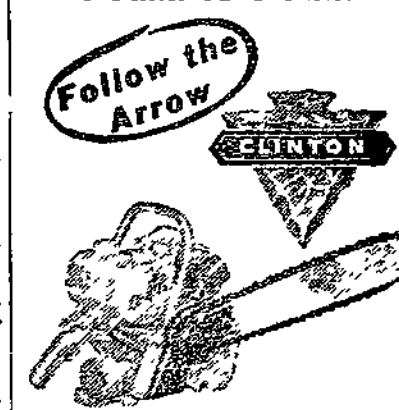

### Governors Discuss Unemployment Issue

WASHINGTON (P) — Four state governors and Secretary of Defense McElroy today discussed plans for channeling defense contracts into unemployment areas.

The conference at the White House also dealt with the governors' contentions that National Guard and Reserve units should be maintained at a minimum level of 400,000 men.

## The POWER of FAITH

by Howard Brodie

**JERUSALEM**—It was twilight. I walked in the Garden of Gethsemane.

A green-headed lizard stood motionless on the grey trunk of an olive tree which may have been a shoot of one that shaded Christ in His agony. The air was moist and pungent. A cricket chirped. Two Arab women came and drew water from the well. The sky turned from red, purple, blue to grey. There was the soft clatter of donkey hoofs and, in the distance, the yelp of a dog. Then it was dark and a single star appeared. There were deep, diffused shadows in the Garden. The top of the foliage was touched with silver. Save for the modern sounds of the highway, this might have been like the night when Christ prayed, Father, if it be possible, let this cup pass from Me; nevertheless not My will but Thine be done." (Matt. 26:39)

## 800 Marooned

(From Page One)

others stranded in the darkened, heatless restaurant.

State police said, however, it would be several hours before the road could be widened to bring out the trapped people.

More than 800 of them had made their way to the Brandywine Restaurant since Wednesday night from cars, buses and trucks stranded on the turnpike by more than three feet of snow.

Some were ferried in by an Air Force helicopter, which also brought food and medical supplies for 10 persons reportedly suffering from shock and frostbite. One man, George L. Bliss, 61, Rocky River, Ohio, collapsed and died in the crowded restaurant.

Others, too frightened to leave their cars, were led in by truck drivers, who formed search parties.

The group was depressed but well organized as it waited for highway crews to clear an access road through "four feet of wet, solidly packed snow."

The turnpike was closed for 111 miles from Harrisburg to the New Jersey state line.

## Many Homes

(From Page One)

Hundreds were stranded on highways, and the Pennsylvania Turnpike was closed for 111 miles from Harrisburg to the New Jersey state line.

At least 36 deaths were attributed to the storm. Two persons were electrocuted by dangling live wires.

In Philadelphia, Lancaster and a score of other communities emergency care centers were set up for families lacking heat and food. Civil defense units were active virtually everywhere.

Some communities declared emergencies and schools and colleges were closed. Many schools and churches were used to care for those without heat in their homes.

An estimated 800 made their way to the small Brandywine restaurant on the turnpike near Reading and waited more than 20 hours for rescue crews to reach them.

## Library Week Theme For Double Assembly

Linda Ferry, representing Warren High School's news bureau, submits the following account of today's assembly:

Students of Warren High School enjoyed a double assembly this morning on National Library Week. The assembly was presented by one of the speech classes in the form of a play, and introduced by Sue Ertchard.

The play entitled, "Books A La Mode" emphasized the use of the library and the importance of it.

Not only did the students give their time for the assembly but they prepared posters and displays to appear in the schools, the banks, and many retail stores throughout the community.

Those students taking part in the play were the following: Richard Scalise, Rose Tigan, Sandy Burke, Joan Brown, Thomas Gibson VI, Benedictor, Andy Peterson, Donald Stack, Dennis Fitch, Susan Hartnett, Mary Kondak, Jack Fallin and William Osterman. Mr. Richard Anderson and Miss Jacqueline Morron were the directors. Student director was Carolyn Anderson.

Many news books have been received for use in our school library and ready to be taken out now. These books are attractively covered with new jackets.

## St. Louis Planning Dogs to Combat Crime

ST. LOUIS — St. Louis police probably will be using dogs to combat crime by next September. Police officials indicated training of selected policemen in handling dogs will start within three or four weeks.

"If we can get these dogs on the street, our women will be safer," President H. Sam Priest of the Board of Police Commissioners said.

## A. P. DEATH RECORD

By The Associated Press  
ST. ANTHONY, Idaho — Charles Calvin Moore, 92, Republican governor of Idaho for two terms, from 1922 to 1926, died Wednesday. Moore, Idaho's 13th governor, had been active in GOP party politics since the turn of the century.

HONOLULU — Col. Rufus S. Bratton, 65, retired Army intelligence officer who helped break the Japanese codes before the Pearl Harbor attack, died Wednesday. He served as head of the Far Eastern military intelligence in the War Department prior to the outbreak of World War II.

## ANOTHER FIRE DEPARTMENT SESSION

Hoseman Paul Drescher of the East Side Fire Station has accepted an invitation to appear at 10 a. m. Saturday for a meeting with the Public Safety Committee of Warren Borough Council. Drescher has publicly charged the fire department with "irregularities" in its operation. Two years ago, Drescher charges, he was given a two-week disciplinary suspension without pay and he has since been trying to get a hearing before the Civil Service Commission without success. The CSC says Drescher did not follow the formalities in such a case. Drescher claims his requests were ignored.

## Northern Area

(From Page One)

Travers Stohlberg, president of Northern Area Joint School Board will extend greetings at tonight's program, speaking in a similar capacity Saturday evening will be John H. Stewart, member of the same board.

Giving the response will be Albert Cerutti of Harbor Creek, president of the Northwest District, Pennsylvania Music Educators' Association, which sponsors the district musical festivals.

Opening the formal program will be Fillmore's adaptation of The National Anthem, followed by Davenport's march, Salute to PMEA, and the Overture to Nicolai's Merry Wives of Windsor, arranged by Dan Godfrey.

For the second group, the band will play Sequoia, a tone painting by LaGassey, and A Trumpeter's Lullaby by Leroy Anderson, arranged by Lang.

Soloists selected for this trumpet presentation were announced this morning. For today's matinee, Clayton Mesler, Elsenhower; this evening, Sam Fitch, Linesville - Conneaut Summit; Saturday night, David Allburn, Erie Strong Vincent.

In the Second Suite in F for Military Band by Gustav Holst, the bandsmen will offer: March; Song Without Words, I'll Love My Love; Song of the Blacksmith; and Fantasia on the Dargason. Rounding out this first half of the program will be the familiar Beguine for Band by Glenn Osser.

Following intermission, the program will continue with Wings of Victory March by Venture; Suite Atlantis (The Lost Continent) by Safranek; Nocturne and Morning Hymn of Praise, A Court Function, I Love Thee (The Prince and Aana), and The Destruction of Atlantis.

Next will come Hillbilly from Americana by Morton Gould; Tambo by Cavez; Brigadoon Selection by Loewe; and Fillmore's His Honor March.

As is the usual custom for such festival events, visiting students are being housed in about 80 homes of parents and music patrons in the district served by the Northern Area jointure.

## Gloomy Outlook Is Provided by Steel Industry

PITTSBURGH — Saying they see little prospect for substantial improvement in the steel business in the near future, officials of National Steel Corp. have declared a dividend amounting to three dollars.

The company paid a \$4 annual dividend in 1957.

The announcement was made yesterday in the annual report to stockholders by President Thomas E. Millip and Board Chairman George M. Humphrey. They said: "The steel business as a whole is operating on a very reduced basis during the first quarter. Steel inventories in the hands of customers are being gradually reduced and while there is some evidence of a little better general demand there is no immediate, substantial improvement in prospect."

National Steel had 1957 net income of \$45,518,884, equal to \$6.13 a common share. This compares with \$32,502,422, or \$7.09 a share, in 1956.

## YOUNGSVILLE

YOUNGSVILLE — Shirley Fitzgerald won first place in the senior high school American Legion Essay Contest on the topic "Freedom's Blessings." Susan Littlefield took second prize; Judy Roberts, third. There were seven entries.

In the junior high school, there were 48 entries. First prize went to DeEtte Durkin; second prize Lynn Becker; third, to Sherri Craft.

Judges were the Rev. F. Eugene Donelson, the Rev. J. Norman Holder, Mrs. Max Davis, Mrs. Perry Linborg, Ed Day, and Ernest Oviatt.

Every year, the Auxiliary sends a girl to Keystone Camp at Shippensburg State Teachers College for a week. This year, it has elected Sally Jordan, a Junior in the Brokenstraw Jointure School, daughter of Emory Jordan, Lottsville. Miss Jordan will go to the Keystone Camp for the week of June 22-29. She was chosen on the basis of scholarship, personality, character, leadership, and good citizenship.

## Expansion of Scout Program Object of Monday Meeting

Representatives from a dozen institutions and communities will meet with Jim Wright and representatives of the Chief Complanter Council, Boy Scouts of America at the Y. M. C. A. Monday night at 7:30 p. m. to begin an expansion of the Boy Scout program in Warren County.

The plan is expected to bring Scouting to many new boys in the Chief Complanter area. Three institutions which were scheduled to be among the group have already organized Scout units since the first of the year. The new "Together Plan" could well mean the biggest years growth since Scouting was organized in Warren County, according to Scout Executive Elmer Morgan.

Friday night a group of men at the Scout Office to be trained

ed for their part in the plan as Coaches for prospective sponsors. These men will work with the prospective sponsor until they have organized programs in which they are interested.

Among the institutions which have expressed their intention to attend are, Sugar Grove American Legion, Columbus Men's Club, Lacy Troop 11, V. F. W. Troop 7, Pittsfield, St. Lukes Church, Seneca P. T. A., St. Joseph's Church, Lander, Pack 13, Chandler's Valley, and the Warren County Retarded Children's Association.

The groups which have already organized units this year include: Warren Aviation Club, Squadron 3; Plank Road P. T. A., Troop 16; and Ludlow District Committee, Post 50.

Following the meeting a buffet will be served by Harry Cooper and Explorers of Post 6.

## Registrations for '58 Soap Box Derby to Start Monday

Derby Director Harry Spackman announced today that registrations for the coming Soap Box Derby will begin Monday, March 24, at Dan's Chevrolet, 413 Pennsylvania Avenue East. The 1958 Soap Box Derby is being jointly sponsored by the Warren Jaycees, the Warren Times-Mirror, and Dan's Chevrolet.

Registration Chairman Creed Erickson, Jr. urges all boys between the ages of 11 and 15, inclusive, who are planning to enter the Derby to register early, and also reminds that parents must accompany the boy when he registers. Registration hours at Dan's will be 9 to 5, Monday through Saturday. Upon registration each boy will receive a copy of the 1958

Soap Box Derby Official Rule Book, which is necessary since it gives the required specifications needed to pass inspection. Veterans of the 1957 Race will find several new rules as well as a number of changes from those of last year in the 1958 official rule book.

"Twenty Years of Faith in Boys", a new 16 mm. color film of the Derby is available for showing to school groups, service clubs, P.T.S.'s etc. Reservations for this film may be made by calling Henry Powell at 2462. In the past, demands for the Derby film proved to be great, so it is urged that, in order to avoid disappointment, dates for showing this film should be reserved as soon as possible.

## SUGGESTS TEAM SWAP

ST. PETERSBURG, Fla. — Del Webb, co-owner of the New York Yankees, suggested today that Kansas City of the American League and Philadelphia of the National League swap franchises in the interest of travel economy.

Under the Webb plan, which he said he would introduce at the next meeting of the major leagues Pittsburgh would be the easternmost club in the National League and Chicago would be the western terminus of the American League.

## Two All-Americas Head 1958 All-Pennsylvania College Basketball Team

By NOAH HALPER

PHILADELPHIA (AP)—All-America Guy Rodgers of Temple and Don Hannon of Pitt head the 1958 All-Pennsylvania College Basketball Team announced today by the Associated Press.

The two "little" men are the sole repeaters chosen for the AP by the state's sportswriters and sportscasters.

Ed Kazakovich of Scranton, who had a 26.8 point per game scoring average and a 14.8 rebounding average; Bucknell's Hal Danzig, Wilbur Troch of St. Francis and Jay Norman of Temple round out the six-man "quintet."

Trosch and Norman finished in a dead heat for the fifth spot, barely edging Bob Mantz of Lafayette.

Only Rodgers and Norman are seniors. Trosch is a sophomore and the others are juniors, making the team one of the youngest in recent years.

The deeds of Rodgers and Hannon are well known. The Temple senior is regarded as the slickest floor man in college basketball since Bob Cousy played for Holy Cross. Besides being the floor general for the Owls and guiding them to the No. 5 national rating, he averaged 20.4 points per game and handed out an average of 5.2 assists per game. Although "only" six feet in height, he managed 6.7 rebounds a game.

Hannon is the outstanding example of a little man succeeding in a big man's game. He gained fame for his phenomenal shooting eye that accounted for a 25.96 per game scoring average in major competition and boosted Pitt into an NCAA tournament berth. The 5-8½ junior from Wampum, Pa., has, like Rodgers, the assets of great speed and quick reflexes.

Kazakovich, a 6-5 native Scrantonian, rewrote his school's record book this year and earned the plaudits of many who opposed him as "the best we've faced."

Danzig moved up from a third team berth on the 1957 All-Pennsylvania team. Extremely agile for a big man, 6-6 and 225 pounds, the Rochester, N.Y., resident had a 17.8 scoring average and a 16.1 rebounding average in a successful Bucknell season.

Norman was regarded as second only to Rodgers in value to the Temple team. Giving away height to opponents all year, the 6-3 Philadelphia still managed a 12.2 rebounding average and scored at a 13 point clip. Opposing coaches termed him one of the nation's most underrated players.

Trosch was one of the big reasons for St. Francis' successful season that led to a post season berth in the National Invitation Tournament. The 6-8 resident of Clairton, Pa., came along fast and by season's end had a 16.6 scoring average and a 10 rebound per game average.

Mantz moved up from a 1957 third team berth to lead the second unit this year. The 6-7 resident of Reading averaged slightly better than 16 rebounds a game while

hitting at a 19.2 point pace per game.

Filling out the second team are Jim McClellan of St. Francis, Joe Delise, who led the Indiana Teachers to an NAIA berth, Ron Rainey of Penn State and Keith Tyler of Susquehanna.

The third team was composed of Julius Pegues of Pitt; Clint Jeffries of Muhlenberg, Reggie Rife of Millersville State Teachers, Dick Gensitz of Penn and Bob McNeil of St. Joseph's promising sophomore team.

Honorable mention: Jack Sauer, Duquesne; Bob Edwards, Penn State; Bill Kennedy, Temple; Bill Soffa, Carnegie Tech; Jack Bizyak, Indiana Don Schena, Geneva; Dave Rankin, Westminster; Syl Williams, Millersville; Bob Swetnam, Franklin and Marshall; Terry German, West Chester; Bill Katheder, LaSalle; George Morgan, Wilkes; Jack Kalbfus, St. Vincent; Chick Barnes, Philadelphia Textile; Frank Capitani, Gettysburg; Tom Brennan Villanova; Jim Davis, Kings, Bill Swisher, Bloomsburg Del. Ware, Gettysburg, Jim Hustave, Bloomsburg, Chuck Hursh, Pitt; Tom Garberina, LaSalle, and Mel Brodsky, Temple.

## Fight Telecast Is Planned at Erie Theatre

Local fight fans still have an opportunity to witness the Carmen Basilio-Sugar Ray Robinson world middleweight championship fight, but they will have to act fast. The announcement comes from Henry Rastetter, manager of the Warner Theatre, Erie, Pa., where the long-awaited return bout for the middleweight boxing crown will be presented in this city exclusively via the facilities of TelePrompT Corporation closed-circuit television.

The fight, promoted by the International Boxing Club, will be shown on the theatre's giant screen simultaneously with its occurrence at the Chicago Stadium beginning at 11 p. m., local time, Tuesday, March 25th. The event cannot be seen over home television receivers.

A limited number of tickets for the fight telecast are still available at the Library Theatre boxoffice.

## East Victorious In All-Star Tilt At Youngsville

YOUNGSVILLE—Faced by Jim McMeans of Youngsville and Northern Area's Bud Rowland, the East routed the West, 63-43, Thursday night in the annual Upper Allegheny Valley All-Star basketball game.

McMeans hit for 15 points and Rowland 14 as the East had the better of three quarters. The West didn't have a double figure performer.

### Speaking of Sports

A fifteen-year-old junior bowler from Kansas City rolled a perfect game recently, the first sanctioned junior league play in more than a decade. William Bay, a left-handed star with a 130 average, rolled his "dream game" at Kansas City's AMP-equipped Linwood Bowl. There have been only three perfect games in sanctioned junior league play, according to Milt Raymer, Executive Secretary of American Junior Bowling Congress. The last took place in 1947 in Chicago. A sophomore at Kansas City Westport High School, Bill has been bowling about eighteen months. Asked if he was excited about his feat, he said, "only when the last three pins popped over on the last ball." Bill weighs 109 pounds, 5'5" in height and uses a fourteen-pound ball.

## Fredonia Gains Class B Western Playoffs Finals

BRADFORD—Closing fast in the waning minutes, Fredonia of Mercer County defeated Port Allegheny, 60-56, Thursday to gain the PIAA Class B Western basketball playoff finals.

Down 56-54, with three minutes left, Fredonia's Skip Loomis cashed in on a foul and Chuck Kuhn put the Vocats in front to stay with a set. Bob Douds followed with three fouls as Port Allegheny desperately tried to get possession of the ball.

As a result of its victory, Fredonia meets Tuesday night the Section Five-Seven winner, Ford of Section Five and Wampum of Section Seven dribble Friday. No site has been set for the Western championship contest.

The win was Fredonia's 24th in 27 games. Port Allegheny finished with a 22-5 record.

## St. Bonaventure Loses to Xavier In Tournament

By BEN OLAN  
NEW YORK (AP)—Impressive victories by top-seeded Dayton and unranked Xavier have set up an all-Ohio championship game in the National Invitation Basketball Tournament.

But Dayton Coach Tom Blackburn is not very happy about the pairing.

The Flyers rode over St. John's of New York 80-56 and Xavier knocked off third-seeded St. Bonaventure 72-53 in last night's semifinals in Madison Square Garden.

The finals will be played tomorrow and will be preceded by a consolation game for third place between the Bonnies and St. John's.

Dayton advanced to the finals four times in its six previous NIT appearances and has yet to take home the championship. The Flyers were runners-up in 1951, 1952, 1953 and 1955.

"We would rather have played St. Bonaventure Saturday," said Blackburn. "We beat Xavier twice during the regular season and they're playing much better now than when we faced them." Dayton whipped the Musketeers 74-59 Jan. 1 and 64-58 Feb. 16.

Xavier's Hank Stein, 6-2 junior from Louisville, Ky., scored 27 points.

## TRAINING CAMP NOTES

By JOHN CHANDLER  
The Associated Press

The first baseman problem with the Philadelphia Phillies remained desperate today when Joe Collins of the New York Yankees retired from baseball after being sold to the Quaker City club for the \$20,000 waiver price.

"If I can't be a Yankee, I'm through with baseball," Collins, 35, said at St. Petersburg, Fla.

Philadelphia had sought a first sacker after Ed Bouchee, an outstanding 1957 rookie, became involved with the law. Bouchee is now taking psychiatric treatment.

Harry Anderson was given a crack at the job by Mayo Smith, Phil's manager, but now is in the outfield. Yesterday when the Yankees trounced the Phillies in an exhibition game 11-8 Frank Herrera a Cuban with triple A experience, played first.

Collins, of Union, N.J., has been in the Yankee organization since 1939. He played over 100 games each season until 1957, when in 79 contests he batted only .201, his poorest year. Bill Skowron is the regular Yankee first baseman, and Marv Throneberry is the No. 2 man.

The two most valuable players of 1957, Mickey Mantle of New York and Hank Aaron of Milwaukee, both had two homers to lead their teams to victory.

## South Dakota Player Tops Little All-American Poll

BY TED MEIER  
NEW YORK (AP)—Jimmy Daniels, a ball-hawking 5-11 whiz from Brooklyn who led South Dakota to the NCAA small college championship, dominates the 1958 Little All-American announced today by The Associated Press.

Joining the diminutive senior on the first team are 6-3 Dick Barnett, whose sensational set shooting sparked Tennessee State to its second straight NAIA championship; 6-6 Jim Smith of Steubenville (Ohio); 6-4 Mel Peterson of Wheaton (Ill.) and 6-9 Bennie Swain of Texas Southern.

They were chosen on the basis of recommendations from sportswriters and broadcasters throughout the country. Similar to the big All-America, announced several weeks ago four are Negroes—Daniels, Barnett, Smith and Swain.

Swain and Smith are seniors, Barnett a junior and Peterson a sophomore.

## Sox Help to Bring New Hope Into Ranks of the Senators

By JACK HAND  
ORLANDO, Fla. (AP)—Thanks to the Boston Red Sox, there is new hope in the camp of the Washington Senators this spring. It all stems from a deal that brought a center fielder and a first baseman to the cellar club for handyman Pete Runnels.

Albie Pearson, a half punt (5-6) outfielder is counted upon to fill the defensive manhole in center. Norm Zauchin, a .264 hitter with the Red Sox who never has lived up to his rookie promise of 1955, is the new first baseman.

When they asked Manager Cooke Lavagetto what he needed most after the 1957 season, he said "outfielders who can catch and throw." Pearson may fill the bill.

Washington finished last in 1957 and it is difficult to see anything but more of the same. The pitching still is the worst in the league with not much hope of improvement.

"With a winter's rest, Camilo Pascual ought to win 15 (he had an 8-17 record last year). Pedro Ramos (12-16) should do better and Chuck Stobbs (3-20) has to improve," Lavagetto said.

Lavagetto also counts on bonus boy Ralph Lument, a 6-3 lefty, to make the big hop from campus to the majors despite only nine innings of pro experience.

Pascual, Ramos, Lument, Stobbs, Russ Kemmerer (7-11) and possibly Hal Griggs (21-12 at Chattanooga) fall short of an imposing starting array.

For relief, Lavagetto looks to Bud Byerly (6-6), Truman Clevenger (7-6) and Dick Hyde (4-3). Bob Wiesler, the ex-Yankee, is

back for another whirl after a 12-12 year at Richmond.

The best part of the Washington club is Roy Sievers, the left fielder who led the league with 42 home runs and 114 runs batted in. The club's all-time home run champ is a real threat to any enemy pitcher. Pearson in center and Jim Lemon (284 hit 94 strikeouts) in right will be the starting outfield. Pearson had 33 assists at San Francisco where he hit .297 with fair extra base power for a little fellow.

Neil Chrissy (.343 at Indianapolis) strengthened his chances with three homers, including a grand slam, in a recent exhibition game. Faye Throneberry (.284) Whitey Herzog (.167) are the other outfielders.

With Zauchin at first base and Rocky Bridges (.228) set at short the infield is half ready. Harmon Killebrew, a former bonus player who hit 29 homers and batted .279 at Washington, is giving Eddie Yost (.251) a wrestle for third base.

Second base is up for grabs. Bob Malkmus, drafted from the Milwaukee organization out of Wichita where he hit .291, has not been too impressive. John Chavis, a whiz at Chattanooga before he went into the Army, is back to challenge for the job. Cookie always can fall back on Herbiew Plews (.271) or Jerry Snyder (.151).

Lavagetto wants to groom one of his top two catchers Clint Courtney (.267) and Lou Berget (.261) to carry the load since both are lefthanded hitters. The other might go in a deal. Eddie Fitzgerald (.272), a capable receiver and righthanded batter, holds down the No. 2 job.

Logart is a 7-5 favorite to win the third and "rubber" clash of the 147-pounders at Madison Square Garden.

For this semifinal of the elimination tournament each will receive a \$20,000 guarantee plus the right to face Vince Martinez for the vacant title.

Since the championship has been open since Carmen Basilio had to yield it when he ascended to the middleweight throne by whipping Sugar Ray Robinson last Sept. 23.

Basilio, busy preparing for his defense against Robinson next Tuesday in Chicago, leans towards Logart.

"Logart has youth and speed going for him," said Basilio.

But the 30-year-old St. Louis veteran who is supremely confident he will nail his 24-year-old rival from Camaguey, Cuba.

SEEING IS NOT BELIEVING—Pitching is not the weakest department of the Phillies, yet there are times in Florida exhibition games when Coach Andy Seminick, left, and Manager Mayo Smith hold their heavy heads in disbelief and dismay.

## Rocky Gerarde Training for Return Bout With Vic Salle

"We accept the challenge!"

Area fight promoter-trainer Joe Fazio made it clear and simple today after officially learning that Vic Salle of Ash-tabula, Ohio, has challenged Rocky Gerarde via communication from his manager Godfrey Holman. Don Elbaum, Erie boxing promoter and columnist, relayed the message to Fazio and Gerarde. Rocky defeated the 1954 Dapper Dan Golden Gloves champ at Pierpont, Ohio, Jan. 25, handing him his first defeat.

In a letter to Elbaum last week, Holman said it was "true Tom won the first fight but this return fight will be different... he has begged me to get him a return bout... Vic is in excellent shape and I promise you he will knock out Gerarde..." Manager Fazio hopefully related that "Before the fight's over with, he'll know he's been in a fight with Gerarde."

Tickets are available from Auggie Juliano at \$215. General admission tickets are \$1.25 and reserved seats are \$1.75. What tickets are left, are owing fast and area fans are urged to contact Auggie immediately to be assured a seat, as a tough

bout is seen in the crystal ball.

Fazio reluctantly commented that Salle is a hard fighter to hit with the special stance he has. To help Rocky counter this situation, Joe has been showing him some new punches to get Salle turned around in order to land punches. Namely, to throw him off balance, the fisticuff and "Pop" have devised a side step to avoid left jabs, then throw a left hook to the body followed by a right to the jaw. Another one, is to knock Salle's left hand back to open him up. "But Tom has to beat him to the punch," Fazio commented. Step No. 3 is to knock the opponent's left hand to his right and then throw a right to the body.

Since meeting Gerarde two months ago, Vic has had two fights—winning both by knock-outs.

But as usual, Rocky is in good condition. He works out every night at the "Y" and runs "around Tiona" for his road work every night.

"He's in very good shape and a good boy (Salle)," Fazio said. "I'm not worrying about him stopping Tom. Remember what we saw in Pittsburgh!" he added.

## RAY'S CONFECTIONERS WIN ANNUAL YMCA TOURNEY

Ray's Confectionery made it a convincing win last night when a full house watched them trample Struthers' Hose quintet, 67-49 to win the Don Lunquist Memorial Trophy and the Third Annual YMCA Basketball Tournament.

## Catholic High Schools Will Play In State Finals

BY THE ASSOCIATED PRESS  
Bishop McDewitt High School of Harrisburg and North Catholic of Pittsburgh tangle at the Hershey Arena tonight for the state PCIAA Class A title in the feature game on the Friday night scholastic basketball card.

The Catholic high school championship game is being touted as a match between the western champions' speed and the eastern champions' height.

Both teams will bring 14-game winning streaks into the showdown match with McDewitt's Crusaders 23-2 on the season while North has a 23-3 season's log.

In the PLAA, there are two semifinal games on tap tonight in the east and one in the west in Class B competition.

Dist. 11 champion Blue Mountain meets Columbia of dist. 3 at Muhlenberg College in Allentown. Dist. 12's Tunk-Hannock meets Exeter of Dist. 2 at Coughlin high school in Wilkes-Barre.

At Monessen, WPIAL champion Wampum meets Dist. 5 champion Forbes in the western semifinal. The only Class C game on the schedule sends Dist. 3 titlist Scotland against Dist. 1 champ Jenkintown at Lancaster in an eastern semifinal.

Two games were played in PIAA competition last night: In class B, Fredonia of Dist. 10 downed Port Allegany's dist. 9 champions.

## Claims Man Beat Wife And Set Fire to Bed

SOMERSET, Pa. (P) — An insurance investigator says Melvin Boden of Rockwood told him that he beat his wife and set fire to her bed as she lay unconscious. Antonio Aurigemma, 62, an investigator for the National Board of Fire Underwriters, gave the testimony yesterday at the 36-year old Boden's trial on murder and arson charges.

Aurigemma said Boden gave him the details leading to the death of Mrs. Boden last Nov. 17 while he was Boden's cellmate early this year. Aurigemma said that with the cooperation of state police he had himself jailed on a fictitious charge in an effort to obtain information from Boden.

The game was nip and tuck during the first half, with Ray's leading 19 to 15 at the quarter and 33-31 at the midway mark.

In a low scoring third canto the champs out-hooped Struthers' 12-5, then blasted 22 to 13 in the final.

To Homan of Struthers who scored 18 and later was adjudged the most valuable player of the tourney. Teammate John Berdine had 16. Mervine had 16 for the Confectioners, Cashman and McKelvey, 14.

## Scramble for the NCAA Cage Title Starts Tonight

By DON WEISS

LOUISVILLE, Ky. (P) — Three-time champion Kentucky and neophytes Temple, Kansas State and Seattle tonight begin the scramble that in 24 hours will lead one of the four to the NCAA basketball championship.

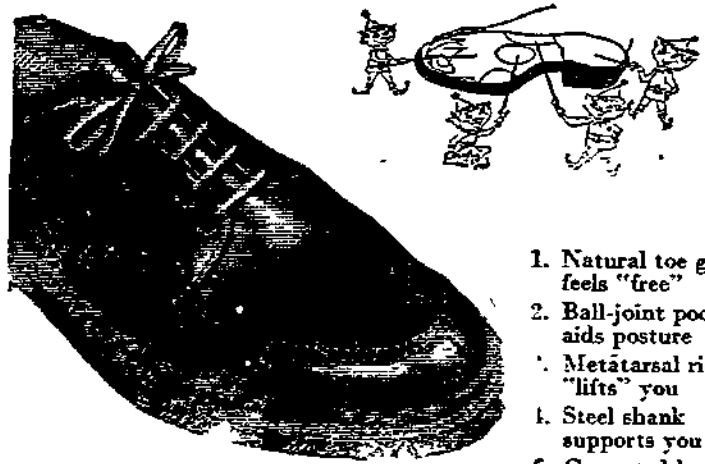

Kentucky (21-5) meets Temple (26-2) in the opening semifinal, followed by K-State (22-3) vs. Seattle (22-5). Tonight's winners play for the title tomorrow night after a consolation game for third place.

Big bruising Kansas State, the Big Eight champion, rates even money favorite with the odds-makers. Kentucky's Southeastern Conference kings, old hands at NCAA play with 10 appearances and three titles, moved up at a late hour as second choice at 9.5. Temple, pride of the Middle Atlantic Conference and winner of 25 straight, was 3-1 and Seattle, the only "at large" survivor, 9-2 despite the presence of All America Elgin Baylor.

None except Kentucky has won an NCAA title, although Temple has tried twice, K-State three times and Seattle four.

Buffalo tongues were considered sacred by the Omaha Indians, according to the Encyclopedia Britannica.

## Maple Festival Is Under Way in Somerset County

MEYERSDALE, Pa. (P) — Despite heavy snow hundreds of persons visited this community today for the start of the 11th annual Somerset County Maple Festival.

Store windows displayed maple products and hobbies of retired persons, adding to the glamour of the festival.

A spirit of happiness prevails and officials of the festival say the program will continue as scheduled regardless of the weather.

The annual Maple Queen parade will highlight activities tonight following the crowning of Eileen LaBute, a 17-year-old senior at Berlin - Brothersvalley Joint High School. A ball will be held tomorrow night.

A historical drama, Maple Sugarin' Time, will be staged tonight and tomorrow night.

Bert Tolleson Jr., a U. S. Dept. of Agriculture official, headed a list of speakers at the opening luncheon.

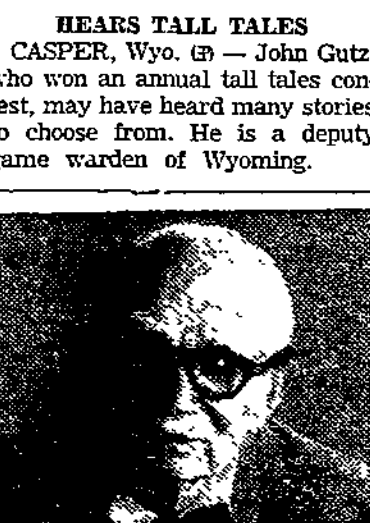

Tours of sugar camps are planned tomorrow and Sunday with special services climaxing the celebration.

## DR. LEE DE FOREST, VACUUM TUBE INVENTOR PRAISES HEARING AID

Lee de Forest, who made modern radio and television possible through his invention of the vacuum tube fifty years ago, recently lavished high praise on a revolutionary new hearing device called "The Listener."

"It is," Dr. de Forest said, "without question the finest hearing aid I have ever worn. Nothing compares with it for the quality of hearing it gives."

Commenting further, Dr. de Forest continued: "The advantage of ear-level hearing and the elimination of irritating clothing noises make 'The Listener' a real pleasure to wear. In fact, it overcomes all the objections I previously had to wearing a hearing aid."

So great has been the interest in this remarkable new electronic hearing achievement, the makers have prepared an illustrated report outlining in detail how it functions. Those interested may obtain a free copy from

## Library Week Helping To Clarify "Fuzzy Thinking"

March 20, 1958  
Ed C. Lowrey, Editor-in-Chief,  
Warren Times-Mirror,  
Warren, Pennsylvania  
Dear Editor:

The Library Week Committee has recently been criticized for comparing Warren Library service with the "national average" and with towns of similar size in Pennsylvania. We have been accused of adopting a complacent attitude with regard to library service in Warren on the basis of such comparisons. These critics hold that since library service in the surrounding communities is admittedly inferior, it does not necessarily mean that Warren service is excellent simply because it is better than the worst.

I would like to re-emphasize the points that we have been stressing during Library Week in an attempt to clarify the somewhat fuzzy thinking of some people on what constitutes good library service.

In the first place, at no time have we compared Warren Library service with the "national average". We have been talking instead about the standards for library service recently developed by the American Library Association (and generally accepted as providing the criteria for evaluating what is good library service) and have said repeatedly that while Warren ranks well above communities of comparable size in Pennsylvania, it still falls far short of these rigid national standards.

Certain very articulate but, I feel, uninformed citizens have expressed the opinion that Warren could have standard library service by simply spending more money. They suggest that the Borough Council would be happy to provide one mill so that we have an outstanding library, and these same spokesmen conclude that they will settle for nothing but the "best".

I am distressed to report that these earnest and well-meaning partisans will have to settle for quite a bit less than the "best" if they believe that a one mill tax will provide standard library service. It would cost each and every person in Warren \$6.00 to \$8.00 per year in order for Warren's library to measure up to the standards of

the American Library Association—i. e. "the best". Buffalo can meet these standards by spending only about \$2.00 per capita and New York spends less than \$1.00 per capita for its outstanding library. The answer is that they can provide better service because they have a much wider tax base. The simple truth is that, as a community, we cannot afford standard library service, because our library serves too few people.

There is a solution, however, and it is one that the Library Week Committee has emphasized throughout the past week. A County library is part of the answer. If the Warren library through a bookmobile and existing facilities in other county towns were to service the whole county, such a system would then be servicing 43,000 people instead of 15,000. The extra revenue from such a broadened tax base would result in an increase in the quality of service in Warren as well as the county. A Regional Library is also part of the answer. By affiliating ourselves contractually with other libraries in this area, we would increase the resources of our own library immeasurably. Books in the Erie Library, for example, could be made available to Warren County patrons through intra-library loans. In other words, the key to standard library service lies in the number of people served. I repeat—Warren, serving 15,000 people cannot afford standard library service. A regional library system, serving perhaps one million people, can.

Finally, I would like to suggest that all of us laymen who have been sounding off about library service shut up for awhile, and wait for the results of the survey now in progress. Only then will any of us really know what we are talking about.

Sincerely yours,  
WILLIAM F. CLINGER, JR.

## Truck Driver on Trial For Ensinger Murder

PITTSBURGH (AP)—A detective today identified a statement in which William Tex Garrison, allegedly placed himself and his wife at the scene of a murder.

Homicide Capt. Joseph Flynn, in identifying the statement, said he was one of the officers who questioned Garrison, 37, a truck driver, and Garrison's wife, Ann, 33.

Garrison is on trial, charged with murder in the robbery slaying of Mrs. Elizabeth Ensinger, 84.

Flynn said Garrison said in the statement that he and his wife watched Michael Popovich and Frank Zaffina enter the Ensinger home last Nov. 17. That is the day she was killed. Popovich and Zaffina have pleaded guilty to murder charges.

### FIRE STATISTICS

During 1956, the United States had 1,977,950 fires of all types, with \$11,800 of them being building fires. Of this total, 122,000 fires were caused by careless smoking and matches.
